

CREATING A CAREER THAT ROCKS

Using her experience as a touring musician and credentials as a dietitian, Jill Jayne, MS, RD created the nationally-acclaimed rock & roll nutrition show *Jump with Jill*. But before the Emmys and Grammys and visits to the White House, there was a lesser known Nutritional Science major with a strong tendency to break into song. Come get your serving of inspiration from the world's only Rockstar Nutritionist® so that you, too, can make a career out of following your freaky star.
